Career Experience

Global Operations Manager | Karina Canellakis, Manhattan, New York

2018 – 2023

Expertly managed business operations for world-renowned orchestra conductor Karina Canellakis (now the face of Apple's new classical music platform, Apple Music Classical), driving global engagement to support and facilitate brand growth. Ensured seamless operations for Canellakis across all roles, including Chief Conductor of Radio Filharmonisch Orkest, Principal Guest Conductor of London Philharmonic Orchestra, and Rundfunk-Sinfonieorchester Berlin, managing business operations and marketing for optimal results.

- Provided executive-level governance over all administrative, operational, and accounting functions, steering business activities to support the continued brand and career growth of Karina Canellakis.
- Seamlessly adapted to diverse performance settings in prestigious, world-leading concert halls, building expertise and insight into premiere global events operations
- Spearheaded dynamic marketing efforts, expanding Canellakis' reach through captivating and informative social media, website, and content strategies.

Founder | “Bracker & Bär” (bracker-baer.de), Berlin, Germany

2017 – 2023

- Partnered with world-renowned musicians, orchestras, and orchestra halls to ensure seamless engagements, networking and communicating effectively with global collaborators.
- Steered and managed branding for Grammy Award winning opera singer Sasha Cooke, creating engaging, sophisticated website and digital presence to elevate awareness.

Business Development Consultant | ORACLE, Dublin, Ireland

2017 – 2018

- Engaged directly with marketing team to forecast sales revenue, leveraging insights to shape client pricing proposals and negotiations.
- Continuously surpassed targets, leveraging expert strategy and leadership to deliver results.
- Conducted outreach to B2B customers, sourcing and strengthening relationships for business development goals.

Marketing Manager | Philharmonie de Luxembourg, Luxembourg

2017 – 2017

- Galvanised audience engagement and awareness, conducting guest-artist interviews with premiere names in Jazz and Classical music arenas, including Chick Corea, Wynton Marsalis, and Nils Frahm, as well as actor John Malkovich.
- Cultivated audience awareness through a robust digital presence, delivering captivating social media marketing.

Lawyer | European Consumer Centre Luxembourg, Luxembourg

2016 – 2017

- Served as the key point of contact for the European Commission, providing digital development leadership and strategy for the creation of an all-new Online Dispute Resolution Platform.
- Communicated and collaborated with the Luxembourg Ministry of the Economy and the Commission de Surveillance du Secteur Financier (CSSF) to support consumer law procedures.
- Served as an effective mediator between consumers and customers, offering legal guidance and strategy.
